LAND BRANDENBURG

The figure shows a grayscale map of the state of Brandenburg in Germany. A red rectangular box is drawn around the northern part of the state, specifically highlighting the area around the city of Potsdam.

A map of Germany with a red box highlighting the state of North Rhine-Westphalia. Within this state, a red polygon indicates the study area, which includes parts of the Ruhr region and surrounding areas.

A grayscale map of a region, possibly a state or country, with a red rectangular box highlighting a specific area in the center-right portion of the map.

A horizontal scale with numerical markers at 0, 1, and 2. A thick black horizontal bar is positioned such that its left boundary aligns with the value 0 and its right boundary aligns with the value 2. The bar's midpoint is located between the 1 and 2 markers, indicating a value of approximately 0.8.
